

Laser Healthcare™ SEMINAR:

Proven • Non-Invasive • Drug-Free Healthcare Solutions.

Basic Laserology® Improving Patient Care with Proven Technology Featuring: **Jerome Rerucha, D.C.,** Former Power Lifting Champion

Dr. Jerome Rerucha is in private practice, Performance Chiropractic & Wellness, in Greensboro Georgia. For the past 9 years Dr. Jerome has lectured internationally to doctors of all medical disciplines on integrative healthcare, rehabilitation, clinical nutrition, chiropractic and the use of cold laser therapy for neurological programming, healing enhancement and human performance.

His laser and integrative protocols have helped other doctors enhance their treatment skills. Dr. Rerucha has been involved with numerous athletic programs developing strength and conditioning systems for football, basketball, volleyball, golf, tennis, track and field and numerous competitive strength competitions. Competing on

national and international levels as a powerlifter for 14 years, he won a world title in 1999. Recently, he has been providing care for members of the USA World Powerlifting Team, USA Olympic Weightlifting Team and competitive Mixed Martial Arts. His performance based nutrition, laser and chiropractic protocols have helped patients and elite athletes maximize their physiological goals.

If you have been curious about all the buzz surrounding lasers... there has never been a better opportunity to come and see what all the excitement is about.
