

Laser Healthcare™ SEMINAR:

Proven • Non-Invasive • Drug-Free
Healthcare Solutions.

Tour d' Laser Featuring: Jeffrey Spencer, MA, DC, CCSP

*12 CE Hours.

November 20 – 21, 2010 - Orlando, FL

Dr. Jeffrey Spencer was an Olympic cyclist and awarded the ICA's "Sports Chiropractor of the Year" in 2004. He has worked with PGA, WTA and NASCAR champions, a World Series MVP, rock legends, ultra-successful businesspeople, and NFL, and MLB athletes, as well as Motocross and Formula 1 drivers. Spencer was Lance Armstrong's personal chiropractor and doctor for the United States Postal Service and Discovery Channel Professional Cycling Teams that won an unprecedented eight Tours de France. Spencer received his master's in physical education and his undergraduate degree from University of Southern California and his doctor of chiropractic degree summa cum laude from Cleveland Chiropractic College in Los Angeles. He has taught post-graduate sports rehabilitation courses and frequently lectures on cold laser technology. Dr. Spencer's new book, Turn It Up! How To Perform At Your Highest Level For A Lifetime, is currently available.

New Book, Turn it Up!: How to perform
at your highest level.
