VITALITY— *Anti-Aging, Performance and Healthy Living Seminar*

About The Seminar

Find out how to make a difference in America's healthcare starting with your patients from research expert Professor, Dr. Dan Murphy, DC, DABCO. Dr. Dan Murphy offers the highest quality learning courses validated by scientific research. In this course, Dr. Murphy will educate on structure and function throughout the nervous system and the entire body for systemic wellness; including, but not limited to ATP, mitochondria, laser therapy, brain function, low back pain, nutrition and state-of-the-art technologies that are tailor-made for expert chiropractic care. The knowledge and skills you learn in this course can be applied immediately when you return to the office!

About Daniel Murphy, DC, DABCO

Daniel Murphy, DC, DABCO is a well-recognized, award winning chiropractor and a popular instructor who teaches internationally while maintaining a part-time clinical practice. He has taught over 1,610 twelve-hour postgraduate continuing education classes. He also serves as part-time undergraduate faculty professor at Life Chiropractic College West, where he is currently teaching classes to seniors in the management of spinal disorders. He has taught post-graduate classes for a long list of chiropractic colleges and individual programs. He is a contributing author to several books and a quarterly columnist in the American Journal of Clinical Chiropractic. From 2003 – 2009, Dr. Murphy served as the Vice President of the International Chiropractic Association. In 2014, he was awarded the Lifetime Achievement Award from the International Association of Functional Neurology and Rehabilitation (IAFNR).
