Varidi offers you flexible, low-cost payment plans when you're short on cash or under insured. When life happens. But unlike high-interest credit cards and loans, our EZPay™ plans charge no interest, only a small setup fee.

Pay later for services you want now.

Varidi enabled businesses offer you pay-later options for essential things you need today: medical, dental, veterinary, auto repair, funeral services, home repair, cosmetic services, you name it.

Simple, on-the-spot approvals.

There is no credit check to apply and no credit reporting on payment. You simply work out the terms with the merchant or service provider and sign up for a payment plan that matches your budget.
