The Workshop— *Mechanics of Sports Injury and Laser Therapy*

About The Seminar

GAME ON! Attendees will gain desired wisdom from two of the industry's most renowned sports doctors, who have collected their expertise through nearly 60 years of combined clinical experience. Presentations combined in alliance, they will feature their successful modalities and techniques they have perfected for the advancement of clinical treatments and sports injuries.

Duly titled, **THE WORKSHOP** with Dr. Jerome Rerucha and Dr. Timothy Maggs will deliver demos and treatment models in this action-packed 12-hour event. Their brilliant patient programs offer a simple and efficient way to implement results immediately for maximum patient benefits.

About the Speakers

Jerome Rerucha, D.C., B.S., C.S.C.S., C.H.P.S. is a practicing clinician and international speaker teaching integration of advanced clinical treatment applications and competitive strength and conditioning principles. Prior to clinical practice he was a full-time strength coach, competed in powerlifting for 14 years and won a Lifetime Drug Free World Title and Best Lifter Award in 1999. Having the personal competitive lifting experience, coaching numerous types of athletes and elite strength athletes provides additional benefits when teaching his dynamic clinical applications.

Timothy Maggs, DC has practiced for 39 years and continues full time. He specializes in sports biomechanics. Dr. Maggs is the developer of one of the leading sports biomechanics program in the country today, The Structural Management® Program. Dr. Maggs has worked 4 years in the New York Giants strength and conditioning department, consulted with the strength department of the Chicago Bulls and has authored hundreds of articles on sports biomechanics.

Seminar Cost: \$49*
