About the Seminar

Join laser expert Dr. Jerome Rerucha for a weekend complete with a plethora of knowledge not duplicated at other seminars. You will gain the experience you need to add laser therapy to your practice. If you already use laser, you will garner those extra skills only a doctor with nearly 20 years of hands-on laser experience in a full-time, referral-based clinic can provide. This class is for the practitioner who desires to maintain the traditional application of chiropractic and to enhance the benefits achieved by applying the newest and most researched technological advances in the healing arts. This seminar will focus on combating the pain crisis in America and the common conditions you see daily with Dr. Jerome's clinically tested proven methods, hands-on protocols and rehabilitation techniques. In addition, Dr. Rerucha will cover the opioid epidemic and the rising obesity epidemic in the U.S., its effect on our health and what can be done to warfare against it.

Seminar Cost: \$49*

*Northwestern Health Sciences University (NWHSU) applies for CE Hours to the chiropractic state licensing boards in states surrounding the seminar location. If you need hours for other states, please contact NWHSU before the seminar at 952-885-5446. Certain restrictions apply. *\$75 extra for CEs (if needed). Transcripts are sent out by email approximately 2 months after seminar completion. If you need a copy sooner, please contact NWHSU directly at (952) 885-5446.
