

Empower Your Beauty

The Zerona Z6 Fat Loss Laser is a non-invasive low level laser that is FDA Market Cleared for overall body circumference reduction and can help you lose up to 3.72 inches* in just 6 quick and painless treatments. Each treatment takes just 40 minutes – that's fast enough for you to squeeze this fat loss treatment into your lunch break. Take time and do something for you, because you're worth it. If you want to lose inches, but don't have time to commit to diet and exercise, look for a Zerona Z6 provider near you.

Empowering Beauty

Our Mission

Our mission is to empower women to feel their best, leaving more time for what matters most to them. Whether that means going to the movies with your little one, or making time for a much-needed girl's weekend without the worry of a missed workout, or indulging in a delicious meal: the ZERONA Z6 will provide you with a breath of fresh air and a looser pair of skinny jeans. You will be empowered to feel like the fabulous, sexy woman you are in just a couple of weeks.

What To Expect

Step 1: Introduction

You'll meet with a Z6 clinician during a one-on-one consultation. Your Z6 clinician will take the time to discuss a holistic approach to achieve your goals for reshaping your body.

Step 2: Treatment Package

Once you have decided on what areas you want to focus on, your Z6 clinician will provide you with the most suitable treatment package for your needs.

Step 3: Starting Measurements & Treatment

You will start taking your initial measurements and the treatment will begin. You will simply lie under the ZERONA Z6 for 20 minutes on your front and 20 minutes on your back. Yep, it's that easy.

The End Result

*Individual Results May Vary

Life Gets Crazy,
But Fat Loss is Easy
