

## LASER BOOTCAMP

A HANDS ON WORKSHOP BY ERCHONIA® TO ENHANCE YOUR PRACTICE!

# Revolutionize your practice today!

Join our **FREE\*** Seminar! - April 18th, 2020 - Saturday, 8:00-5:30pm

The goal of this workshop is to focus on hands on demonstrations and group workshops that the doctor will be able to implement on Monday morning and greatly enhance their results. We will briefly cover how lasers work, research studies, FDA clearances to support how the laser is being used and provide enhanced hands-on demonstrations.

### About the Speaker:

Dr. Andre Camelli, a May of 2000 graduate of Parker College of Chiropractic, owns and operates Life Quest Wellness Center in Cortland, Ohio, since its opening in 2001. At his practice, Dr. Camelli is dedicated to improving the quality of life of his patients by dramatically reducing the devastating effects of stress and subluxations. Dr. Camelli strives to empower each patient to be able to make informed decisions that will keep them and their families healthy. As a best-selling author, Dr. Camelli believes that educating people will not only help them feel better but will enable them to keep themselves healthy their entire lives.
