BECOME THE MOST ADVANCED LASER THERAPY PROVIDER IN YOUR AREA!

About the Seminar

Join laser expert & performance specialist Dr. Jerome Rerucha for a weekend complete with advanced knowledge not repeated in any basic seminar. If you currently use laser, you will garner those advances only a doctor with nearly 20 years of hands-on laser experience in a full-time, referral-based clinic can offer. Dr. Rerucha will share the latest advances in low level laser therapy, his proven techniques and examination procedures to enhance your skills by improving patient care, increase office opportunities and his patient programs. The clinician will have the opportunity to learn the latest protocols for numerous conditions not covered in the basic seminars. His demonstrated protocols will take your techniques to the next level and make you the leading laser therapy provider in your area.

Seminar Cost: \$225
