About Seminar

Join laser expert Dr. Jerome Rerucha to receive advanced treatment knowledge and detailed research trends for his **NEW course**. Dr. Rerucha's passion for performance will teach each clinician and/or performance specialist the importance to excel in "Active Examination™" procedures to enhance the typical table examination and treatment methods used by all clinicians that only a doctor with over 20 years of hands-on laser experience in a full-time, referral-based clinic can provide. You will gain the knowledge you need to add low-level laser therapy to your practice. Dr. Rerucha will provide detail to enhanced examination concepts and treatment applications that can be applied immediately into your existing clinic. This seminar will focus on how to overcome the pain and opioid crisis and move beyond symptom relief to measurements of being healthy, and to maximize performance

Seminar Cost: \$64*
