World Leaders in Low Level Laser Technology

About Seminar

In this NEW 12-hour course, professor, and research expert Dr. Dan Murphy will advocate how structure and function are optimized through a poly-therapeutic intervention program that develop superior clinical outcomes. Dr. Murphy will succinctly drive home key concepts ranging from Chiropractic care, laser therapy, ATP, mitochondrial function, diet, exercise, brain health, low back pain and state-of-the-art technologies that are tailor-made for expert chiropractic care by managing common clinical syndromes. This course will provide attendees with the highest-level education validated through extensive scientific research and proven techniques Dr. Dan Murphy, DC has perfected through not only running his own full-time practice but how he lives his daily life.

Seminar Cost: \$185*

*Northwestern Health Sciences University (NWSU) applies for CE Hours to the chiropractic state licensing boards in states surrounding the seminar location. If you need hours for other states, please contact NWSU before the seminar at 952-885-5446. Certain restrictions apply. *\$65 extra for CEs (if needed). Transcripts are sent out by email approximately 2 months after seminar completion. If you need a copy sooner, please contact NWSU directly at (952) 885-5446.

**Dr. Daniel
Murphy,** DC, DABCO

Daniel Murphy, DC, DABCO has taught over 1,700 twelve-hour postgraduate continuing education classes. He also serves as part-time undergraduate faculty professor at Life Chiropractic College West, where he is currently teaching classes to seniors in the management of spinal disorders.
