

L.I.T

Laser Integrated Therapy

Presented by Dr. Jerome Rerucha, DC, BS, CSCS, CHPS

Join laser expert & performance specialist Dr. Jerome Rerucha for a weekend complete with advanced knowledge not repeated in any introductory seminar. If you are new to laser, Dr. Rerucha will shed light on lasers' numerous clinical applications. If you currently use laser, you will garner those advanced skills only a doctor with nearly 20 years of hands-on laser experience in a full-time, referral-based clinic can provide. Dr. Rerucha will share the latest advances in low-level laser therapy, his proven techniques and examination procedures to enhance your skills by improving patient care, increasing office opportunities and his proven patient programs. In addition, the clinician will have the chance to learn the latest protocols for numerous conditions not covered in the introductory seminars. His demonstrated protocols will take your techniques to the next level and make you the leading laser therapy provider in your area.
