

The Review

A Comprehensive Analysis of Today's Healthcare Topics

Presented by Dan Murphy, DC, DABCO & Trevor Berry, DC, DACNB

Industry leaders Dr. Dan Murphy & Dr. Trevor Berry have teamed up to discuss the most critical healthcare topics during this NEW 14-hour seminar. Many years of experience have given them keen insights & strong determination to separate fact from fiction in our rapidly evolving world. Key topics to be discussed include brain health, pain management, cellular health, ATP issues, neurological conditions and much more. Unfortunately, the ever-growing & ever-changing list of healthcare issues is causing calamity within the current healthcare model, leaving many Doctors without the tools & knowledge to help their patients.

Our expert team of doctors will dissect these issues by providing a quick breakdown of peer-reviewed literature, as well as providing clinical gems that physicians around the globe can simply & successfully implement into their practices. They will be your professional guides in changing the way modern medicine is delivered through advanced techniques & low-level laser technology. This wealth of knowledge & experience offered both In-Person & via Live Stream has never been available before! We are excited to be the leaders in bringing you these modern-day technological advancements!

Don't miss this one-of-a-kind opportunity for real educational advancement, earn 14 CE hours and make substantial upgrades to your practice that will improve the health & well-being of you, your family, & your patients.

This Live Stream is brought to you by a double award-winning Emmy Videographer to bring the experience of a live seminar into your home or office! The highest quality 4K visual & audio equipment will be used with picture-in-picture to offer you the ultimate learning experience. Not only will you see the doctors' slides, but you will see the doctors lecturing to a live audience and doing hands-on workshops that you can join in on from home. This production is not your standard PowerPoint flip through webinar; it will prove to be the best virtual event of 2022!

**For seminar registration, call (888) 242-0571 Toll Free
or go online to www.erschonia.com/seminars.**

ERCHONIA
World Leaders in Low Level Laser Technology

ABOUT DAN MURPHY, DC, DABCO

Daniel Murphy, DC, DABCO has taught over 1,700 twelve-hour postgraduate continuing education classes. He also serves as part-time undergraduate faculty professor at Life Chiropractic College West, where he is currently teaching classes to seniors in the management of spinal disorders. He is a contributing author to several books and a quarterly columnist in the American Journal of Clinical Chiropractic. From 2003 – 2009, Daniel Murphy, DC, DABCO served as the Vice President of the International Chiropractic Association. In 2014, he was awarded the Lifetime Achievement Award from the International Association of Functional Neurology and Rehabilitation (IAFNR).

ABOUT TREVOR BERRY, DC, DACNB

Dr. Berry was born and raised in Alberta, Canada. He completed his pre-medicine requisites at the University of Calgary and went on to complete his Doctorate at Parker University in Dallas, Texas. He graduated Magna Cum Laude, Salutatorian and was the recipient of many academic awards including the Parker Scholastic Excellence Award. He went on to become a board-certified Chiropractic Neurologist in 2001 and has over 3000 hours in post-doctoral studies in neurology, functional medicine, and low-level laser therapy. He is involved in multiple laser studies and has been the principal investigator on Level 1 FDA studies. He is the founder of Arizona Chiropractic Neurology Center and has been in practice for over 25 years in Chandler, AZ. As an international speaker, Dr. Berry co-founded BTB Health Systems and lectures for nutrition companies, lab companies and about low-level laser. Because lasers profoundly influenced his own health status and family, Dr. Berry has dedicated himself to bringing the innovative laser applications to the health care system.

*Northwestern Health Sciences University (NWHUS) applies for CE Hours to the chiropractic state licensing boards in states surrounding the seminar location. If you need hours for other states, please contact NWHUS before the seminar at 952-885-5446. Certain restrictions apply. Transcripts are sent out by email approximately 2 months after seminar completion. If you need a copy sooner, please contact NWHUS directly at (952) 885-5446. Please visit NWHUS's FAQs for your CE Questions. National University of Health Sciences (NUHS) | Lincoln College of Postprofessional, Graduate and Continuing Education | 200 E. Roosevelt Rd. • Lombard, IL 60148(630) 889-6622 applies for CE Hours to the naturopathic licensing boards. National University of Health Sciences is a CAGEN Approved Provider of Continuing Education. For more information about the ACNB, please log on to ACNB website.**

For live stream attendance, you will receive a secure link to join the virtual classroom. This link cannot be shared. Attendees will be able to engage & send questions through the chat to the instructors. You must be logged into the webinar the whole time and respond to all of the polling questions to get full credit. Check with your state licensing board directly to make sure you are up-to-date on the continuing education rules and requirements. **VERY IMPORTANT:** Attendance at the in-person seminar will be monitored by a course chairperson who will require registrants to check in and out at the beginning and end of class.

*Every attempt is made to offer these seminars as publicized, however Erchonia Seminars reserves the right to adjust seminar locations, dates, time, speakers, content, etc., due to circumstances beyond control. No audio or video or tape recorders are allowed, and no portion of the seminar may be reproduced in any manner without expressed consent. Preregistration is required. Erchonia Seminars cannot be held responsible for any expenses incurred by registrants if a program must be altered or canceled. Seminar fee is non refundable. If unable to attend, seminar fee will be transferred to another seminar. ©2021 Erchonia Corporation. All rights reserved.

SEMINAR TOPICS

Live Stream Available!

Laser Physiology - Discuss the biphasic nature of laser photon therapy, wavelength, frequency, speed of light, fluence, penetration, secondary & physiological influences.

Low-Level-Lasers for All - Integrating the relationship between mitochondria, free radicals, ATP, cytochrome c oxidase enzyme & laser photon therapy.

Advanced Brain Protocols - Introduction to barrier systems, lab markers & clinical implications for CNS pathogens.

Basic Neuro Exam with LLLT as a Diagnostic with Therapeutic Tools:

- ✦ Vagal nerve stimulation
- ✦ Lab markers & nutrition for barrier systems

Neurochemistry & Related Disorders and How LLLT Can be Used

Intro to Neurology of Pain:

- ✦ Centralization of pain and PNS to CNS upstream pain LLLT algorithm
- ✦ Midline stabilization, fall prevention & balance integration

Applications for Violet Lasers in a Rapidly Changing World - Review the evolutionary biology of the changes in the modern world & literature that points out the laser applications.

The Unique Characteristics of Violet Laser Therapy – Clinical & future applications

Demonstrations and Protocols for:

- | | |
|----------------------------|-------------------------|
| ✦ CNS Algorithm | ✦ Neurology of Pain |
| ✦ Low Back Pain | ✦ Whiplash |
| ✦ Thoracic Outlet Syndrome | ✦ TMJ Disorder Syndrome |
| ✦ Brain & Neuro Rehab | ✦ Neuro case studies |

SEMINAR COST: \$299 | CEs COST: \$FREE

DC States Applied for:

- ✦ Live: CA, AZ, NV, OR, HI
- ✦ Webinar: AL, AK, AZ, AR, CA, CO, CT, DE, DC, GA, HI, ID, IL, IA, KS, ME, MD, MA, MI, MN, MO, MT, NE, NV, NH, NJ, NM, NY, NC, ND, OH, OK, OR, PA, RI, SC, SD, TN, TX, UT, VT, VA, WA, WV, WY, PR

DC Canadian Provinces Applied for:

- ✦ Webinar: AB, BC, MB, NB, NF, NS, ON, PI, QB, SK
