

# The Mind Body Connection

Revitalize Your Practice Through  
Neurological Advancements

**Presented by Trevor Berry, DC, DACNB**

Join board-certified Chiropractic Neurologist & low-level laser expert Dr. Trevor Berry as he pioneers the movement to connect the hemispheres of the human body & brain. At the forefront of medicine, Dr. Berry's background & extensive education will help bring to light advanced treatments for the neurological and brain diseases that are greatly affecting our society. The key to brain health is understanding the mechanisms of healthy neuronal function and using techniques to prevent injury.

As a specialist in this arena, emphasis will be paid to neurological conditions and Dr. Berry's treatment through advanced chiropractic care, lasers, labs, balance testing & nutrition. Through screening & objective biomarkers, he will bring together the big picture on how the central nervous system and peripheral nervous system affect the body. These influencers stretch far beyond the complex inflammation & pain presentations in clinic, but to long-term neurological issues. During this 12-hour CE accredited seminar Dr. Berry will show you a clear & simple path to invigorate your practice and energize you to change your life and the lives of your family & patients.

## ABOUT TREVOR BERRY, DC, DACNB

Dr. Berry was born and raised in Alberta, Canada. He completed his pre-medicine requisites at the University of Calgary and went on to complete his Doctorate at Parker University in Dallas, Texas. He graduated Magna Cum Laude, Salutatorian and was the recipient of many academic awards including the Parker Scholastic Excellence Award. He went on to become a board-certified Chiropractic Neurologist in 2001 and has over 3000 hours in post-doctoral studies in neurology, functional medicine, and low-level laser therapy. He is involved in multiple laser

studies and has been the principal investigator on Level 1 FDA studies. He is the founder of Arizona Chiropractic Neurology Center and has been in practice for over 25 years in Chandler, AZ. As an international speaker, Dr. Berry co-founded BTB Health Systems and lectures for nutrition companies, lab companies and about low-level laser. Because lasers profoundly influenced his own health status and family, Dr. Berry has dedicated himself to bringing the innovative laser applications to the health care system. Dr. Berry's expertise stems from a deep personal interest to find ways that would help him treat these conditions and improve the lives of his family & patients alike.

If unable to attend, seminar fee will be transferred to another seminar. ©2022 Erchonia Corporation. All rights reserved.

## SEMINAR TOPICS

- ✦ Basic neurophysiology & understanding the mechanism of healthy neuronal function & the foundation for neuroplasticity.
- ✦ Neuropathophysiology & understanding the mechanisms of neuronal disruption and cell death.
  - ✦ How lasers effect the common causes of neuronal injury.
  - ✦ The economic burden of neurological conditions in America.
- ✦ Understanding how chiropractic adjusting & techniques influence the central nervous system.
- ✦ Lab techniques for neurochemistry including barrier systems & inflammation causes.
- ✦ Objective biomarkers & clinical applications for neurological screening.
- ✦ Condition specific technique & applications for the most common neurological and chiropractic conditions:
  - ✦ Central effects of spinal manipulation of the midline structures, extremity & rib adjustments.
  - ✦ Pain management.
  - ✦ Case studies.
- ✦ Laser research & clinical applications.
- ✦ Balance testing & using objective biomarkers for outcome assessments
- ✦ Hands-on laser workshop for condition specific applications & their influence on the central nervous system while laser is applied to the peripheral nervous system.
  - ✦ Complex pain conditions & clinical applications.

SEMINAR COST \$185\* | CEs COST: \$65

### DC States Applied for:

- ✦ MT, ID, WY, SD, ND

\*Check with your state licensing board directly to make sure you are up-to-date on the continuing education rules and requirements.

\*Northwestern Health Sciences University (NWHUSU) applies for CE Hours to the chiropractic state licensing boards in states surrounding the seminar location. If you need hours for other states, please contact NWHUSU before the seminar at 952-885-5446. Certain restrictions apply. \*\$65 extra for CEs (if needed). Transcripts are sent out by email approximately 2 months after seminar completion. If you need a copy sooner, please contact NWHUSU directly at (952) 885-5446.
