FAST
RESULT

Emerald is a non-invasive cold laser for fat loss. It is the only treatment FDA Market Cleared for overall body circumference reduction and treating patients with 20-40 BMI. The Emerald has the greatest results for combined

circumference reduction in the industry.

This six-headed laser heeds results unlike any other, leaving clients slimmer and satisfied in as little as two weeks. There is no heat, no freezing, no bruising, no tingling, just results!
