

Gift yourself a new you in as little as 2 weeks.

- ❄️ NO DOWNTIME
- ❄️ NO PAIN
- ❄️ NO SIDE EFFECTS

**Individual Results May Vary*

Zerona Z6 is a full body fat loss treatment that allows clients to target areas of stubborn fat, and is the first laser specifically designed for body contouring. The Zerona Z6 is FDA Market-Cleared, non-invasive and clinically tested. The laser targets excess fat by emulsifying fatty tissue through the use of cold laser technology providing an alternative fat loss treatment without the adverse side effects.
