

AFFORDABLE FAT LOSS OPTIONS EXIST

Fat reduction technology that won't break the bank is here!

With targeted Zerona®Z6 Laser treatments, some patients have reported up to 3.5 inches of fat reduction within a few weeks of starting their regimen. This non-invasive inch reduction option guarantees no bruising or swelling, so you can plan your treatments to fit your schedule - **with no downtime**. As a liposuction alternative, Zerona®Z6 allows patients to side-step in-depth medical procedures and the price tag that comes along with a weight loss treatment of that level.

✓ **No Pills or Needles Required**

✓ **Low-Stress Alternative**

✓ **Protects Body's Lean Fat Cells**

Let us help you find a Zerona®Z6 treatment plan that fits your health needs - and your budget!
