

REVOLUTIONARY TECHNOLOGY

TO FIGHT TOENAIL FUNGUS

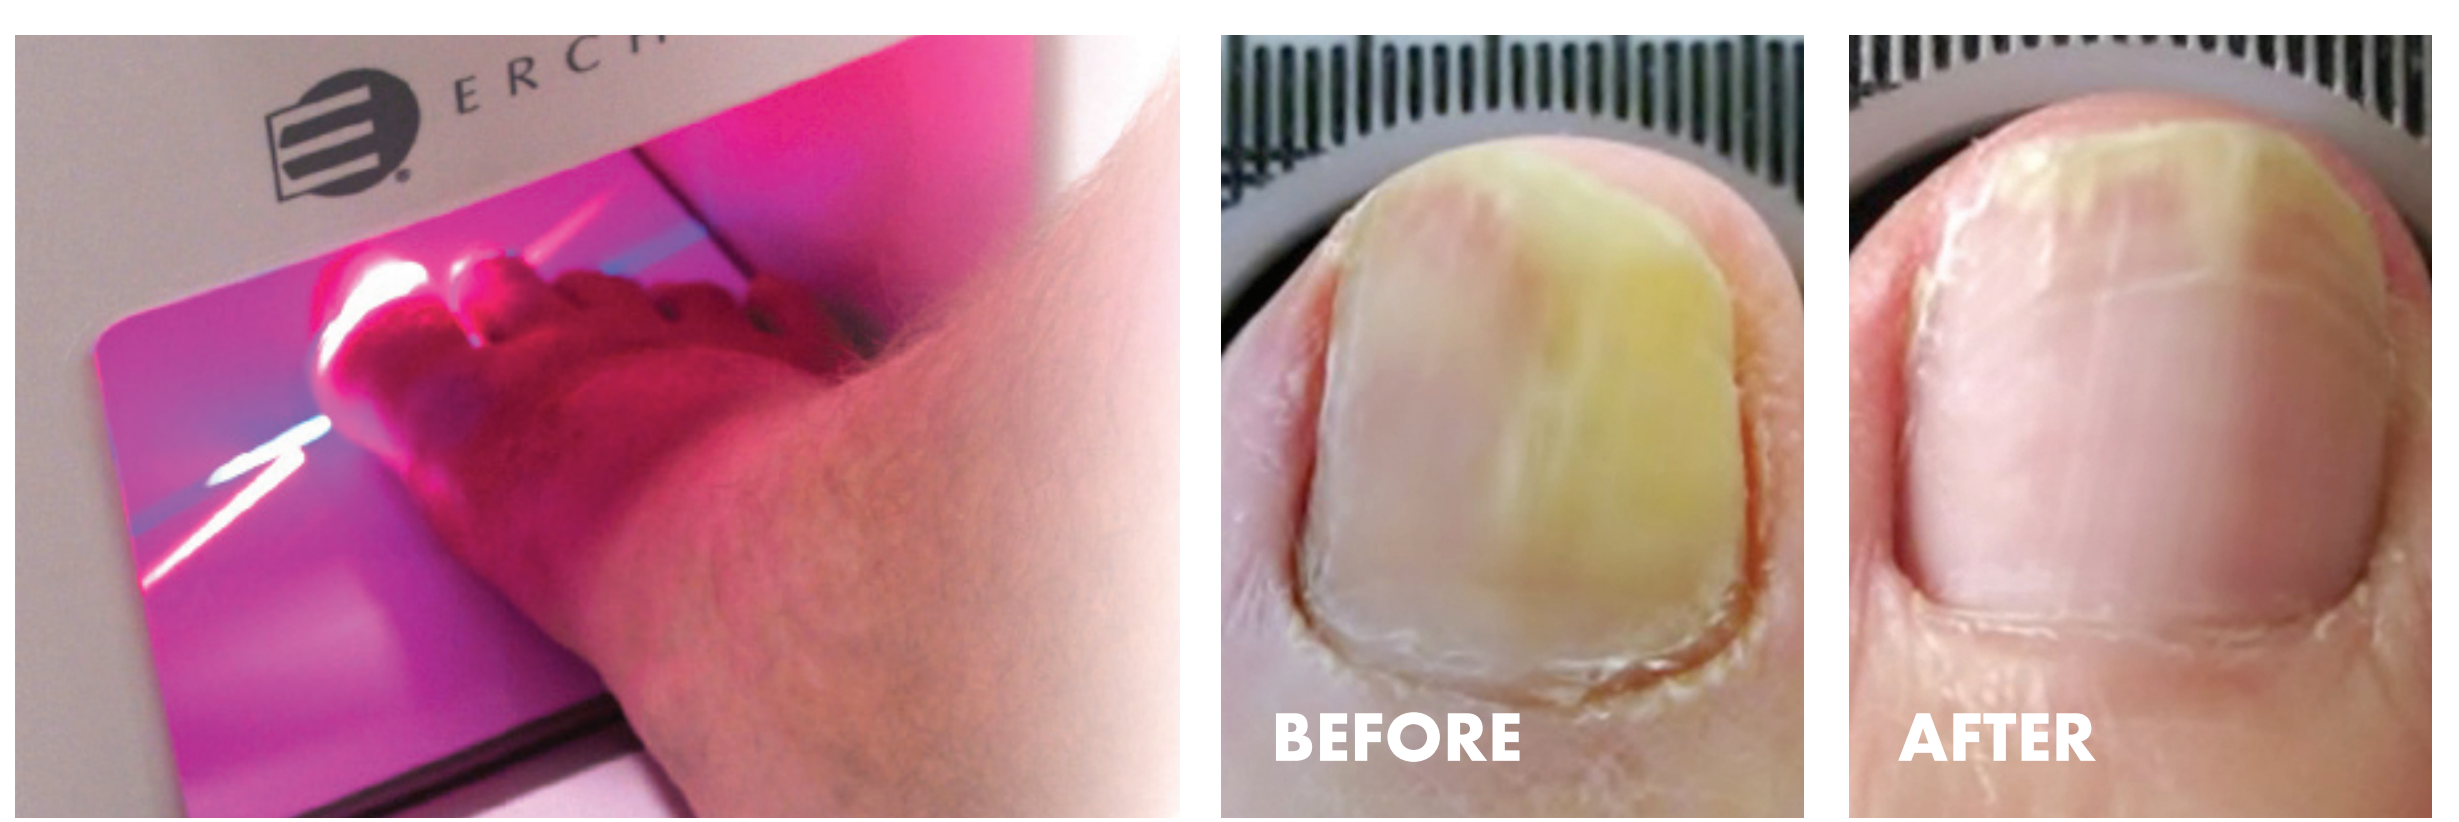

Target the effects of onychomycosis with Lunula.

Lunula is the answer to the silent and often painful suffering from discolored and disfigured toenails associated with toenail fungus. With this no heat and non-invasive alternative to risky antifungal medications, Lunula has no side effects, but offers major results. In fact, patients have reported 6mm of clear and healthy nail growth in just 6 months!

THE LUNULA CAN TREAT ALL 5 TOES AT ONCE IN JUST (4) 12-MINUTE TREATMENTS!

The Lunula Advantage:

- ✓ **FDA-Clearance for peace of mind**
- ✓ **Pain-free low-level laser**
- ✓ **No downtime after short treatment session**
- ✓ **No medications needed**
