## WHAT IS ZERONA Z6?

Zerona Z6 is a non-invasive cold laser for fat loss. It is the only treatment FDA Market Cleared for overall body circumference reduction and has the greatest results for combined circumference reduction in the industry.

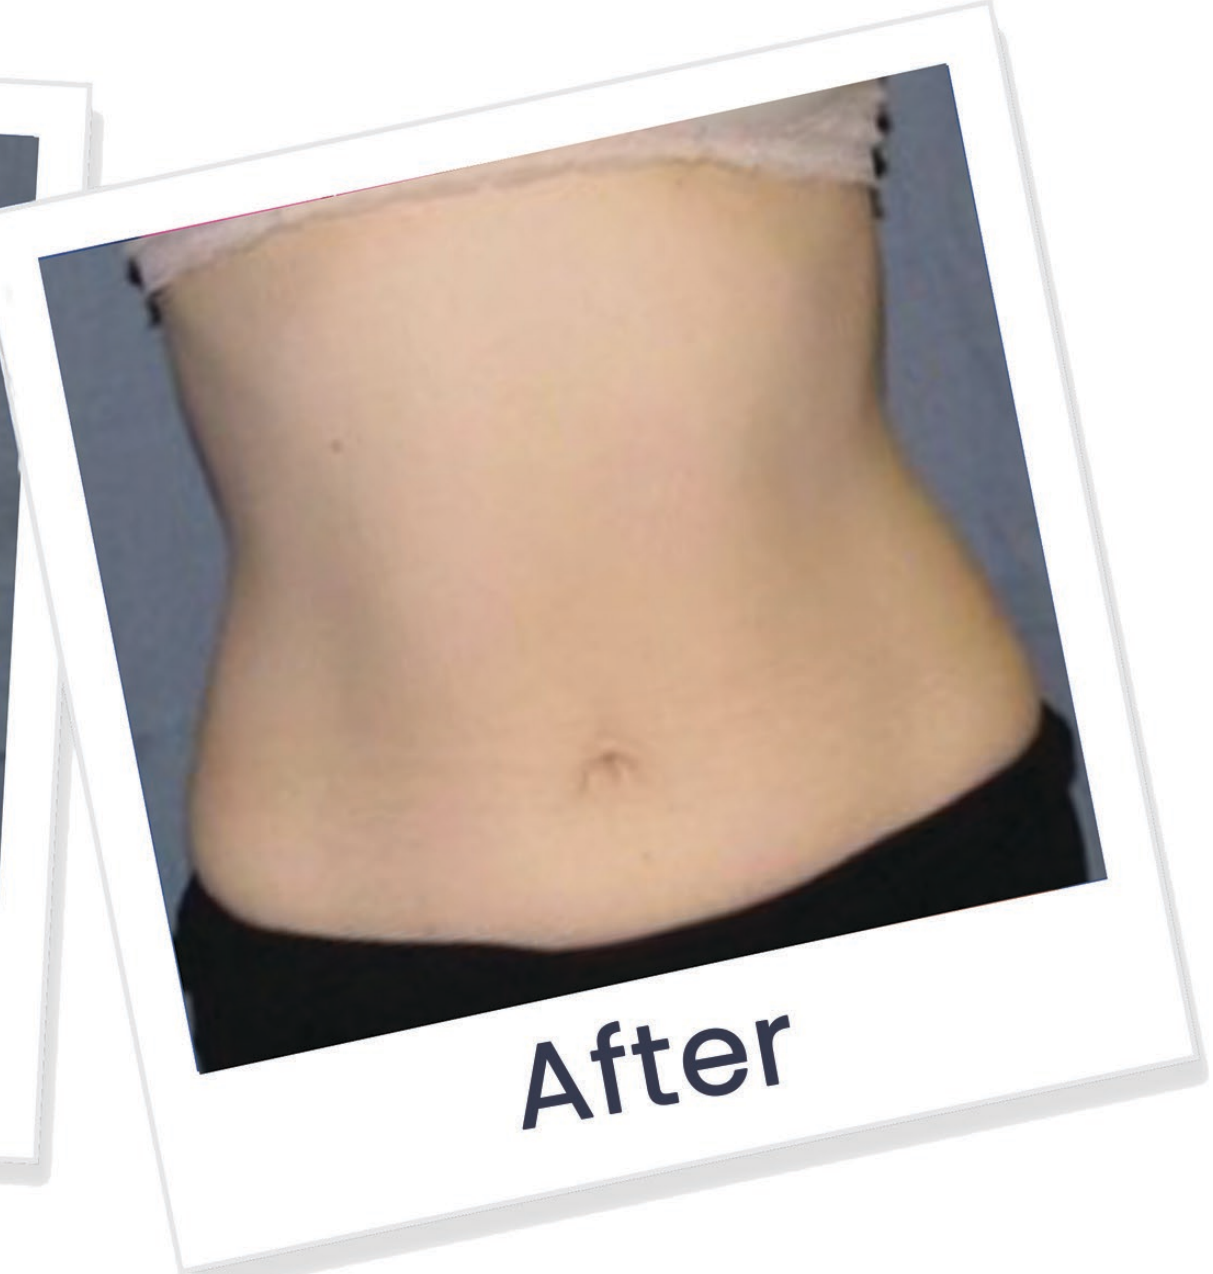

## How ZERONA Works

Zerona works by targeting the fat cells beneath the treatment area creating a temporary opening within the fat cell to allow the fatty liquids to drain out of the cell and be flushed out naturally, through your lymphatic system. The Zerona procedure creates an overall body slimming effect that can be used to reduce fat in your: waist, back, arms, thighs, hips, ankles, and more!
