

# TARGET THOSE 'EXTRA COOKIE' AREAS with Emerald

Even Santa himself is raving about the possibilities with Emerald, including:

**No Needles or Medicines**

**No Swelling or Bruising**

**No Recovery Time**

## A Special Holiday Offer Just for You!

This state-of-the-art low-level laser technology is designed to specifically target stubborn fat areas, giving you the results you've been dreaming of before the year even ends. To make your holidays even brighter, we're excited to offer you an exclusive holiday package designed with you in mind. It's the perfect gift this time of year.
