at a price you'll love

With Zerona® Z6, you can feel the love of higher dollar liposuction procedures, with an alternative that is gentler on your body and budget.

Even at a lower price point, you'll still receive a high-quality experience. The Zerona® Z6's parent company has received 22 FDA market clearances, so you can trust that you're achieving your body goals safely and effectively. Some clients have seen up to 3.75 inches of reduction in as little as 2 weeks!

Our Zerona® Z6 treatment guarantees:

- ♥ **No pills or needles required**
- ♥ **No pain, bruising, or swelling**
- ♥ **No downtime**

Before Cupid's arrow takes flight, you can kickstart your fat loss journey.
