

# EMERALD

NON-INVASIVE

FAT LOSS

## INTRODUCING THE EMERALD LASER

EXPERIENCE A REVOLUTION IN NON-INVASIVE FAT LOSS

### Pain Free

Emerald laser treatments are completely painless, allowing you to relax during your sessions.

### No Downtime

Continue your daily activities immediately after each session. No recovery time required!

### Proven Results

Clinical studies have shown an average reduction of 5.99 inches over the waist, hips, and thighs.
