

EMERALD™
LASER

FELL GOOD SUMMER

This summer you can look AND feel your best with the transformative power of Emerald Laser. In just a few, short treatment sessions, this cutting-edge, low-level laser technology precisely targets stubborn fat pockets, making your summer body goals a reality.

With Emerald Laser's non-surgical fat reduction, clients can get their bathing suit body ready quickly and safely, with no down-time or discomfort.

- ✓ **Uses Body's Natural Systems**
- ✓ **Results in as Little as 2 Weeks**
- ✓ **Clinically Tested on BMIs <40**

Ask about our limited time discounts and get started on your summer body transformation today!
