

DOES PESKY FAT HAUNT YOU?

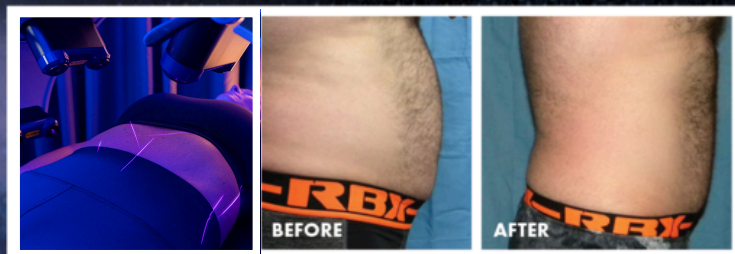

Scare it away with budget-
friendly Zerona®

The Zerona® low-level laser is revolutionizing the way fat loss is done, and without a hefty price tag that'll make you scream. Backed by the confidence of 22 FDA market clearances, there aren't any hidden concerns to be worried about with this regimen.

The Zerona® Laser has thrilling benefits:

- ✓ **Non-invasive and quick treatments**
- ✓ **No pain, bruising, or swelling after**
- ✓ **Results in as little as 2 weeks**

Stop by the front desk or visit our website to explore your options this Halloween season.
