SUPERIOR HEALING

with life-changing technology.

FX635

LOW-LEVEL
RED LIGHT THERAPY

The FX635 is the clear choice for lasting pain relief. Chronic pain like nociceptive musculoskeletal pain, lower back pain, and plantar fasciitis demand the best of the best when it comes to pain and inflammation reduction. FX635 answers the call. By pinpointing problem areas, the FX635 will begin to stimulate natural healing and substantial relief can be achieved rapidly.

The FX635 is a next-level solution for chronic pain management and relief. Contact our team today to get started.
