THE CLEAR CHOICE FOR PAIN

with healing light therapy.

FX635

LOW-LEVEL
RED LIGHT THERAPY

Top-tier relief from everyday pain like nociceptive musculo-skeletal pain, lower back pain, and plantar fasciitis is vital. Utilizing a non-invasive and non-surgical approach to pain relief, the transformational strength of FX635 has become recognized as a premier pain solution. With FDA clearance, it makes this product the gold standard in one's healing journey.

When pain persists, it's time to choose a solution that tackles pain and inflammation head on. Let our team help you choose an FX635 treatment regimen that best suits your needs.

ERCHONIA®
