QUALITY RESULTS

with this breakthrough technology.

FX635

LOW-LEVEL
RED LIGHT THERAPY

Chronic discomfort shouldn't be your baseline. The FX635 targets varying pain-related conditions including nociceptive musculoskeletal pain, lower back pain, and plantar fasciitis by stimulating healing naturally. Backed by clinical trials and FDA clearance, the FX635 is a pain and inflammation reduction therapy tool you can safely use and trust.

Begin your healing journey with peace of mind. Contact our team today to learn more about FX635.
