

YOU DESERVE TO FEEL CONFIDENT

Target unsightly and embarrassing toe fungus with Lunula Laser. As the first and only low level laser of its kind on the market, Lunula treatments stimulate healthy nail growth to battle the disheartening effects of onychomycosis. It is safe and effective, making it a top choice for our patients seeking freedom from toe fungus.

- ✓ **Brief 12-minute sessions**
- ✓ **Treats 5 toes at one time**
- ✓ **No needles, heat or freezing**

Treat yourself to a life free from toe fungus today!

**Contact our team to explore
budget-friendly treatment options.**
