

BACK TO SCHOOL. BACK TO SPORTS.

NOT BACK TO PAIN.

**MOVE INTO FALL
WITH CONFIDENCE.**

COMFORTABLE CARE. NO HEAT. NO DOWNTIME.

Fall schedules move fast. When musculoskeletal pain slows you down, ask your provider about the Erchonia FX635.

A non-invasive low-level laser option indicated for adjunctive temporary relief of nociceptive musculoskeletal pain.

WHY PATIENTS ASK ABOUT FX635

- ✓ NON-INVASIVE
- ✓ PAIN-FREE TREATMENT
- ✓ NO RECOVERY TIME

Cleared uses include chronic musculoskeletal low-back pain and chronic heel pain arising from plantar fasciitis. Ask your provider whether FX635 is appropriate for you.
